

## A 2024 TESL Ontario Webinar Series on Tutela

### Webinar Title

TESL Ontario: Unleashing the Power of ChatGPT, DALL-E, and MURF

Part 1 - Thursday, February 15, 8:00 – 9:00 pm EST – will focus on text and audio content

Part 2 - Thursday, March 21, 8:00 – 9:00 pm EST – will focus on images

### Presenter

Jen Artan, OCELT

### Overview of series content

- **Introduction to Tools:** Understand the functionalities of ChatGPT, DALL-E, and MURF. Learn how each tool contributes to language instruction for adult newcomers.
- **Practical Demonstration:** Witness live demonstrations of generating text, images, and audio for lesson plans.
- **Integration Strategies:** Discuss effective ways to integrate the trifecta of text, images, and audio into lesson plans. Gain insights into adapting these tools to diverse language proficiency levels.
- **Collaborative Application:** Engage in a hands-on collaborative session.
