# THE POWER OF TEACHER AGENCY

TRANSFORMING EDUCATION

## Teacher agency

The capability of teachers to act purposefully and make decisions within their professional practice. It is the degree at which teachers can act autonomously, make informed choices, and take initiative in shaping their teaching environment, curriculum, and instructional strategies in ways that best meet the needs of their students. Teacher agency is critical to innovation, improvement of educational outcomes, and in developing ownership and empowerment among educators.

TRANSFORMING EDUCATION

**Why  
Teacher  
agency?**

## Empowering Teachers Through Agency for Enhanced Learning and Innovation

### Professionalism

Encourages teachers to see themselves as skilled professionals with influence.

### Student Outcomes

Enables teachers to adapt to classroom needs and personalize learning.

### Innovation

Allows teachers to experiment and innovate in response to challenges.

### Well-Being

Contributes to teacher satisfaction and reduces burnout through control and purpose.
